ABOUT US

The Anant Sarthi Group is a prominent business group. Which is running successfully in India and worldwide. Anant Sarthi Group is involved in the import, export, and distribution of products.

Anant Sarthi Group was started 10 years ago with the aim of setting a benchmark in international business. Anant Sarthi, as the name indicates, indicates infinite possibilities with endless solutions.

Anant Sarthi Group is a global manufacturer, wholesaler, distributor, supplier, and exporter of cereals like millets, basmati and non-basmati rice, wheat, barley, maize, flour, oilseed, pulses, animal feed and bird feed, processed food, and vegetables.

Anant Sarthi Group has a multi-crop state-of-the-art facility for grading and sorting in Gujarat, Madhya Pradesh, and Rajasthan.

We have trade relations with buyers and suppliers in Asia, Africa, Europe, North America, South America, and Australia.

Anant Sarthi Group companies have a team of young, experienced entrepreneurs. We understand and care about customer satisfaction.

“Experience is the key of our learning,
Transparency is our strength, Quality is our policy”

Vision

To be the leading exporter in India, setting new benchmarks in quality and customer satisfaction, and becoming a symbol of excellence in the industry

Mission

Our mission is to deliver exceptional export services, driven by a relentless pursuit of excellence and a commitment to integrity, to our clients across the globe. We strive to provide them with the finest quality products, unparalleled customer service, and innovative solutions.
